

# 9 Meter Light Tower for Industrial Applications

---

*Low Cost / High Efficiency Operations*  
*Easy Access for Maintenance*  
*360 Degree Rotation*  
*Tows well*

---

**Elemental**  
Energy Solutions Inc.

## Great For:

- ***Night-time operations***
- ***Industrial Environments***
- ***Construction***
- ***Emergency Response***
- ***Disaster relief***
- ***Remote Locations***
- ***Safety***

## Specification Details

Specifications	Details
Engine	Kubota
Rated Power	12kVA
Rated Voltage	240V
Frequency	60Hz
Fuel Tank Capacity	60L
Floodlight Output	4 X 400 Watts
Lamp Stand Height	9 Meters
Number of Mast Sections	4
Lifting Mode	Electric
Wind Resistance	48km/hour (Level 6)
Plugs / Outlets	15A, 30A, 50A
Dimensions (L X W X H)	1600 X 1400 X 1300 mm
Weight	900 kg
